

Baylor Bound Agreement

A Memorandum of Understanding Between

Baylor University and San Jacinto Community College District

Baylor University and San Jacinto Community College District are committed to expanding educational opportunities for the people of Texas. Texans already benefit greatly from the presence of both institutions, but this partnership will leverage the strengths of both institutions for the good of students and the state as a whole. Although Baylor University has received transfer students from San Jacinto Community College District since its founding, both institutions desire to strengthen their ties by establishing a transfer agreement that provides well-established pathways for students to follow. The program is intended to serve San Jacinto Community College District students who, upon meeting the criteria below, will transfer to Baylor University toward the goal of completing their undergraduate degree.

In order to ease the process of transferring students and to foster academic relationships between the two institutions, San Jacinto Community College District ("San Jacinto") and Baylor University ("Baylor") agree to the following "Baylor Bound Agreement":

- 1. Students may declare their intent to transfer to Baylor by submitting the *Baylor Bound* application. They may submit the application prior to enrollment at San Jacinto or while enrolled as a full-time student at San Jacinto. Admission to the program will be determined by Baylor's Office of Admission Services.**
- 2. Upon consultation and review, Baylor and San Jacinto will develop appropriate transfer equivalency guides (Major Academic Planners--MAPs) to identify courses that may transfer to Baylor from San Jacinto, and Baylor and San Jacinto shall make this information available on both the Baylor and San Jacinto websites.**
- 3. Students must be enrolled in an approved AA or AS academic program leading to an approved Baylor BBA, BA, BSW, or BS degree and refer to Baylor's Major Academic Planner when planning coursework.***
- 4. Students in Baylor Bound should plan to transfer to Baylor after an appropriate number of San Jacinto courses listed on the MAP have been successfully completed. Students should consult their Baylor and San Jacinto academic advisors each semester to determine the appropriate time to transfer to Baylor.**
- 5. A student's formal application for admission to Baylor will be activated when the student has completed the Baylor application for admission. Baylor's official admissions decision will be made after all appropriate documents have been received and reviewed by Baylor.***

6. Baylor will make available to Baylor Bound students information about scholarships for transfer students.
7. Baylor will provide Baylor Bound students expanded opportunities to learn more about Baylor through special mailings and scheduled visits with Baylor representatives.
8. Students will be made aware of the opportunity for the reverse transfer of credits back to San Jacinto for an AA or AS degree if they complete a Baylor transcript request for each semester they are enrolled at Baylor.
9. San Jacinto students can utilize the Baylor Library System through the interlibrary Loan Agreement (<http://www.baylor.edu/lib/ils/>)
10. Consistent with FERPA regulations, officials from San Jacinto and Baylor will collaborate to share disaggregated statistical information about students, including participants still enrolled at San Jacinto, participants who have enrolled at Baylor, and participants who graduate from Baylor.
11. Baylor Admission Marketing (BAM) will provide text to San Jacinto to be utilized in promotional materials, including websites. San Jacinto will run any additional text by BAM before publishing to ensure a consistent message to all recruits from both institutions. Any materials produced and distributed by San Jacinto and/or Baylor which uses the name, image, likeness or specifically references this agreement or makes any general representation regarding each other's institution must be approved by the respective party in writing prior to its use. Each of the parties shall remain the sole owner of all rights in and to its respective name, tradenames, trademarks, service marks, trade secrets, patents and other intellectual property rights, as the same now exist or as they may hereafter be modified in the future by either party during the term of this Agreement (collectively, the "Intellectual Property Rights").
12. Both institutions shall designate in writing an employee who will serve as the point of contact for administration of this Agreement.
13. This Agreement embodies the entire agreement and understanding between the parties and supersedes all prior agreements, whether oral or written between the parties relating to the subject matter hereof.
14. This Agreement may not be amended or modified except by a written instrument executed by both parties. San Jacinto and Baylor agree to mutual notification of changes and additions to the curriculum and curriculum standards, so that articulation plans and transfer equivalency guides may be revised as necessary. Proposed changes in policies or curriculum by either party must be communicated in writing to the other party and agreed upon in consultation with officials of each institution. Any changes agreed upon must be signed by both parties, dated, and attached to this agreement.

15. All notices given pursuant to this Agreement shall be in writing and shall be validly given on (1) the date of delivery if delivered by email, facsimile transmission, registered or certified mail, or hand delivered, or (2) three (3) business days after being mailed via United States Postal Service addressed as follows:

20. If any of the provisions or portions of this Agreement are invalid under any applicable statute or rule of law, they are to that extent to be deemed omitted.
21. It is expressly agreed and understood between the parties that nothing contained herein shall be construed to constitute a waiver by either San Jacinto or Baylor of its right to claim such exemptions, privileges, and immunities as may be provided by law.

*Please note the following:

- To view San Jacinto MAPs for the approved academic programs and degrees, refer to www.baylor.edu/advising/bbmaps. Any coursework not listed on a MAP that a student takes at San Jacinto will be evaluated for equivalent transfer credits by the Admission Services Office. Such courses will not necessarily count toward degree requirements, as is the case with all courses listed on MAPs.
- For current admission requirements and transfer credit policies, visit the Admission Services website (<http://www.baylor.edu/admissions/>). Certain majors, colleges/schools and departments may also require a higher GPA and/or portfolio/recital/audition-based admission.
